WNBL SEASON 19-20
Connecting Grassroots with the Elite

Connecting Juniors to

ROLE MODELS

“ You can't be
what you can't see ”

Welcome to **WNBL** **SEASON 19-20**

Dear Committee Members and General Managers of Victorian Basketball Clubs and Associations

Last season more than 80 grassroots basketball clubs and associations partnered with Melbourne's WNBL team - the Deakin Melbourne Boomers.

As a result, Juniors and parents from across Melbourne and regional Victoria came to see the Boomers in action - helping the team perform exceptionally well, finishing with fifteen (15) regular season wins, our best regular season record since 2011/12 and continuing to record the biggest crowds in the league.

Supporting girls and women in basketball is important and our players continue to be outstanding role models both on and off the court. Through these partnerships we are seeing a real connection between the elite and grassroots levels of the game.

The Boomers are on an upward trajectory and we're confident it's only a matter of time before a WNBL Championship title finds its way to Melbourne's WNBL team.

The WNBL Season 2019-20 opens on October 12 and our partnerships include more exclusivity, excitement and connection than ever before.

Best of all, we have a partnership to suit all associations and clubs, no matter how big or small.

Go Boomers! Thank you again from your team at the Boomers.

We want every basketball association & club getting behind Melbourne's WNBL team. It's Our Time!

MADDIE GARRICK

It only takes one

TO BELIEVE

Why partner **WITH THE BOOMERS?**

Being a valued partner of the Boomers not only helps connect your basketball club with ours, it also ensures we are working together to promote girls and women in basketball.

At the Boomers we want to see more girls playing basketball, for longer.

We also want families to come and enjoy a great time at our games, watching and meeting elite level players, spending quality time together passionately supporting Melbourne's team.

Our partnership packages deliver to your Club or Association:

- Access to FREE junior memberships.
- A real link to Melbourne's WNBL team.
- A direct connection with great role models.
- Advanced coaching education.
- Fantastic involvement at our WNBL games.

I'm so happy to be playing for my city. I can't wait to run on court with the Boomers and I hope all the young players out there will come along and support Melbourne's WNBL team.
