PLAYING IN FRONT OF THE FANS AND BEING ABLE TO INTERACT WITH THEM AFTER THE GAME IS ONE OF MY FAVOURITE PARTS OF BASKETBALL. IT REMINDS ME OF WHEN I WAS YOUNG AND GOT TO MEET MY IDOLS AT WNBL GAMES.

WELCOME TO WNBL SEASON 22-23

Dear Committee Members and General Managers of Victorian Basketball Clubs & Associations,

We'd like to invite your Club and / or Association to join us, the Deakin Melbourne Boomers, this season.

As we prepare to defend our 2021/22 WNBL Championship, we are as committed as ever to supporting girls and women in basketball and facilitating a connection between grass roots and elite Athletes.

After a particularly challenging and disrupted past two years we look forward to welcoming everyone back to our Boomers Home Games this season.

The Boomers Clubs and Associations Partnership Program is all about enabling and facilitating connection between grass roots and elite, to promote and encourage girls and women in basketball.

As a Club, this is something we're incredibly passionate about, but we know it can't be achieved by us alone.

Through these partnerships you have the opportunity to expose your girls and boys to these incredible athletes, inspire and motivate them to be the best they can be.

The Team will be led by our Head Coach Chris Lucas and will be assisted by Kristy Harrower. We've got a fantastic roster again this season, with Australian Opals Cayla George, Tess Madgen and new recruit Kristy Wallace, and Tiffany Mitchell WNBA star returning to defend our Championship. We will also be welcoming 3 x WNBL Champion Mia Murray to the team.

WNBL 22-23 kicks off in November and runs thru to March, and we'd love for you to be part of it.

We have partnership options to suit Clubs and Associations at all levels – no matter how big or small.

We can't wait to see you at our games.

WHY PARTNER WITH THE BOOMERS?

On top of the fantastic benefits you receive with your package, being a valued partner of the Boomers not only helps connect your basketball Club or Association with ours, it also ensures we are working together to promote girls and women in basketball.

At the Boomers we want to see more girls playing basketball, for longer. We believe the ability to see the incredible Boomers athletes taking to the floor, doing what they do, will help this.

We also want families to come and enjoy a great time out at our games, watching and meeting world class players, spending quality time together, passionately supporting Melbourne's team.

HERE'S WHAT YOU NEED TO KNOW

These partnerships are available to any registered basketball Club or Association in Melbourne or regional Victoria. Full details of benefits (and terms and conditions) are listed on our website at www.melbourneboomers.com.au
